### **About the Souls on Fire Connect Group**

The Souls on Fire Connect Group is a fellowship group for Christians, male and female, from all walks of life, who are interested in learning about the gifts of the Holy Spirit. The group will benefit both new believers and seasoned believers as we dive into what are the gifts and how they should and should not be used. If you want to better understand the holy fire you have within you and better recognize and ignite your spiritual gifts – this group is for you!
